ABOUT OUR WINE

Planted by hand in the rich Darling Downs soil of the Lilyvale Valley in 2005 by the Thompson family, the Rosalie House vineyard produces Chardonnay, Viognier, Grenache and Shiraz grapes.

Our wines are produced from our own harvests and produce from surrounding Queensland estates - all lovingly managed and hand selected by our Vineyard caretaker Renee. Each of our wines is unique to this region, being made with a combination of love, science, hard work, luck and just a touch of magic.

All wines produced by Rosalie House are guaranteed for their quality fermentation and ageing. With a balance of elegance and aroma, they can be enjoyed on their own or with carefully curated dishes from our restaurant menu.

Enjoy our wines at home! Purchase your favourites from the Cellar Door, starting from \$35 a bottle.

Our menu is seasonal and subject to change.
